

## Calculate Standard Deviation

A screenshot of a software window titled "Standard Deviation". The window has a light blue title bar with standard window controls (minimize, maximize, close). The main content area is light gray and contains the following elements:

- An empty white text input field.
- A "Save" button to the right of the input field.
- A "Calculate" button below the input field.
- The number "6.50" displayed to the right of the "Calculate" button.
- The number "3.30" displayed below "6.50".
