

# Coronavirus COVID-19

Keeping you and your classmates safe relies on everyone taking **personal responsibility** for their behaviour in the college. We are asking all users of CSN College to please observe the following measures:

## **Before attending** college

- Know the phone number of your designated pick-up person, save it to your phone
- Know your GP's number

## **Sanitise** your hands:

- on entering the college
- on entering and leaving classrooms

Always wear **face coverings** in corridors, public spaces and classrooms

Observe the **one-way** system in corridors to avoid face to face contacts

## **Distance** yourself at least 2m from others

- and least 1m distance in **practical** classes such as sport, art, workshops and labs

**Clean** your workspace and equipment before and after use

## If you feel **suddenly ill**:

if you feel well  
enough to get home  
on your own

- please **do not** use public transport
- when you get home, call your GP
- please **inform the College immediately** to let them know you are ill in case we need to contact trace

if you don't feel well  
enough to get home  
on your own, or  
if you rely on public  
transport

- notify a member of staff immediately
- they may ask you to wait in an isolation room
- they will call a designated pick-up person for you
- they can call your GP for you

Thank you for your cooperation.
